Bent Creek Road

Appomattox Chamber of Commerce met in regular meeting at the court house on Monday evening with A. E. Harwood, president in the chair. Minutes of previous meeting were read and approved.

The secretary reported a request from Bent Creek to appoint a road committee to help in boosting a good road from that place to Appomattox. Mr. Harwood appointed Messrs. Wyman and Hancock on this committee. The following report was made by Messrs S. B. Hamilton and Wyman in building a well graded road from Bent Creek to Appomattox. Mr. Hamilton reported that the road was in fair condition for some years. Mr. Wyman reported that the northern section of the county was probably the most backward section of the county with regard to roads. Mr. Wyman's Progress may be counted on for substantial aid. The people of Appomattox may be counted on for co-operation. Everyone is cordially invited to all these meetings.

Dr. Skinner will deliver the first talk to the children at the Sunday School hour next Sunday morning. Everyone is cordially invited to all these meetings.

He is now confined to his bed and is thought to be in a critical condition. Mr. Garrette is a native of Blue Ridge, but has been a resident of Appomattox for many years. He is a member of the Methodist church and has many friends who hope for his recovery.
